

Do It Yourself

Alliance Garage Doors & Openers sells residential and commercial garage doors and garage door openers to the general public. We offer the best prices and will price match competitors and the large box stores on identical products.

Call any of our phone numbers listed below for pricing or stop in at our Showroom at 4560 Route 30, Greensburg, PA 15601. See the various styles and colors available in uninsulated and insulated garage doors before you buy.

Browse our site for the different styles and insulating values of C.H.I. garage doors and Clopay garage doors, as well as the many selections of LiftMaster garage door openers available for purchase.
