These designs can also be solid, no glass.

Please contact Alliance for more details regarding the panel designs for the Clopay Grand Harbor Collection.

"Faux" top sections create the illusion of a window by using a solid dark gray steel background with arch, square and rectangular grille overlays. Provides added security while creating the

appearance of a real window.

Construction

- 24 gauge 2" steel frame construction with 1/2" composite overlay for long-lasting performance and durability.
- UV protected white composite square-edged overlay with smooth finish.
- Arched and long glazed top sections in clear or obscure glass and snap-in grilles create square and rectangular designs. Optional faux windows and wrought iron windows available.
- Decorative black powder coated spade design lift handles and step plate provide the finishing touch. Optional outside keyed lock and strap hinges maintain the authentic carriage house style designs.
- Galvanized torsion springs are attractive and longer lasting.
- Nylon rollers are durable and quiet.
- Rust-proof aluminum bottom weatherseal retainer and vinyl astragal help seal out the elements.

Insulation

- Optional 1 5/8" vinyl-backed insulation improves energy efficiency.
- Insulating R-Value of 6.3
