Construction

- Exterior woodgrain texture combines the beauty of wood with the durability of steel.
- Weather-tight section joint helps seal out the elements.
- Galvanized steel hinges are durable, reliable and secure.
- Top quality nylon rollers provide durability and quiet operation.
- Aluminum bottom weatherseal retainer system is the highest-quality rust-proof design to help seal out the elements.

Insulation

- Heavy-duty 25-gauge steel skin combined with a layer of 7/8" thick environmentally-safe polystyrene insulation provides comfort, energy efficiency and quiet operation.
- Insulating R-Value of 4.4

Colors
