Model 4050 -- Short Traditional Steel Panel, Insulated, Steel Back

Model 4053 -- Long Traditional Steel Panel, Insulated, Steel Back

Model 4051 -- Flush Steel Panel, Insulated, Steel Back

Construction

- Exterior woodgrain textured finish combines the beauty of wood with the durability of steel.
- Weather-tight tongue-and-groove joint helps seal out wind, rain and snow.
- Galvanized steel hinges are durable, reliable and secure.
- Top quality nylon rollers provide durability and quiet operation.
- Prepainted white end stiles and interior steel backing provide a clean, finished appearance.
- Aluminum bottom weatherseal retainer system is the highest-quality rust-proof design to help seal out the elements.

Insulation

- 26-gauge steel skin combined with a layer of 1-3/8" thick environmentally-safe polystyrene insulation provides comfort, energy efficiency and quiet operation.
- Insulating R-Value of 6.5
