Construction

- Four-layer construction provides exceptional durability. Optional fifth layer (addition of tongue and groove material over face skin).
- Hemlock frame.
- Premium hardware and heavy grade commercial track for smooth and quiet operation.
- Bottom weatherseal to help protect the bottom door section and to help seal out the elements.
- Attractive black powder coated grip handles and step plates are provided standard to further enhance the carriage house design.
- Optional antique black iron hardware is available to provide the look of a classic carriage house door.
